

The gym will open at 7:00. Coaches' meeting is at 7:30. Official warm-ups begin at 7:50 and first match play starts at 8:00. All coaches on the roster must bring a picture ID and attend the coaches' meeting at 7:30 for the required security check.

Based on the limited non-playing area and at the request of the CSCS administration, the following facility rules are in place:

- No food tables allowed in the building
- No coolers allowed in the building
- No crockpots allowed in the building

There is a concrete apron/patio outside the entrance to the gym. This may be used to stage food for your team, but it is exposed to the weather. Players may eat their individual lunches inside the building, but they are responsible for controlling their own food and properly disposing of their trash.

FYI: A new shopping center has opened within a 1/2 mile of the school. This center contains a Costco, Smashburger, Panera Bread, Chipotle, etc.

If you have any questions, please call me on my cell phone; (719) 330-0179

See you Sunday,
Bruce Schardt
