It's time to get your kids off the sofa, away from their phones and computers and get their tootsies in the SAND playing some Volleyball. We have the rare opportunity to offer the kids some clinics over the Holidays, so make sure to sign them up for a great opportunity to learn the Sand Volleyball game!! Not only will it give them better overall Volleyball skills, but it will strengthen and improve their indoor game as well!! So here's your chance for them to learn and improve their volleyball game with a commitment of only a few days over their Christmas Break from one of the best in CO. The age requirements are 12 + but will make exceptions depending on their skill level.
