FACILITY RULES

No TEAM TABLES (food tables) are allowed inside the building. You are welcome to bring your own table to set up food outside, but no team tables are allowed inside. There are no outlets available for crockpots, etc. Due to lack of space, please DO NOT bring in any coolers either.

Coolers are to be left outside. If you want to bring in outside food to eat that is fine, but please pick up after yourselves.

Spectators are welcome to bring their own chairs to watch the matches. No seating is provided by the facility. Chairs in the front lobby are to stay in the front lobby and will not be allowed to be taken into the court area.

Know that our facility is a giant warehouse. No matter how much we heat it up, it is always cold inside as the heat just escapes out the ceiling. DO NOT hassle the tournament director about the heat as they do not have access to it. So please make sure you bring the appropriate clothing, coats, jackets and/or blankets if you are going to be sitting and watching.

CONCESSIONS

There will be some concessions available for purchase. Purchases can be made with cash only.

Items include bottled water, gatorade, soda, Keurig Coffee, fruit, granola bars, candy, crackers, etc.

Thank you in advance for a great tournament and GOOD LUCK!
