

Dear Club Directors and Coaches,

El Pomar Sports Center on the campus of Colorado College. Our building is located at 44 West Cache la Poudre St in Colorado Springs. Directions to the facility are below. Both gyms are in the same building.

Please Pardon our dust ...

Due to the \$27 million renovation of the El Pomar Sports Center that began on Monday, Oct. 31 the main entrance to the facility is under construction, the entrance to the J. Juan Reid Gymnasium will be temporarily located around the back of El Pomar, adjacent to Washburn Field.

El Pomar is located near the lower left corner of the [campus map](#).

In addition, some parking spots along Cache La Poudre Street will be lost. Please come early and plan accordingly. Sorry for the inconvenience this will cause but the new renovation will be awesome for next year tournaments..

If there is anything we can do for you before, during or after the tourney to enhance the experience for your teams just ask.

Our facility is relatively spacious and easy going. Basically, all we ask is be respectful to the facility that allows us to play and if you spill it, clean it up.

The facility will open at 7AM. Our Tournament director will begin the coaches meeting at 7:30AM with play to begin 8AM sharp.

The main gym has plenty of seating - stadium bleachers (you are welcome to bring soft cushions to sit on). Only players and coaches will be allowed on the floor. **The Auxiliary gym does not have seating so you will need to bring your own chairs.** Tournament Formats and Schedule can be found on the RMR website.

Remember that construction is taking place in front of our building so parking is very limited so come early if you want to park close. It will be okay to park on the street and in the lot on the other side of the creek near the entrance to the park.
