

You have a team or teams that will be playing in the Friendship tournament on January 8th 2012 at the Momentum Field House in Highlands Ranch. Doors open at 7:00 (**NO EARLIER**), captains meeting is at 7:30 and play starts at 8:00 PROMPT. Relax, there is no need to try and be the first team in the door. There is plenty of parking and the **food tables are assigned for every team.**

Leave your balls and carts at home, they will be provided.

### **A few simple rules:**

Park in a designated parking space, there is over 700 of them. If you park in a Fire Zone or under the overhang you will be towed without warning. NO EXCEPTIONS!!!!

Each team will be provided a table in the back Multi-Purpose room for food and please limit eating to this area or the front lobby area. No food on the courts or at the score tables. No electric appliances.

Stay off of the turf areas. Do not cross turf areas to get to a court. This applies to everyone, parents, players, and siblings.

Please clean up after yourselves and help us go green...use the recycle bins for your recyclables.

Each team must sign out with the tournament director before leaving the facility.

There will be one empty court for the girls to spread out and relax along with the huge team room.

Good luck to your team and I hope you enjoy your time at the Momentum Field House. If you have any questions, I can be reached at
